Ages 12-18

Story Time is every Tuesday, 10:30AM-11:30 AM! Join in on the fun! There will be stories and a craft or activity to follow!

Look for these books in our children's section:

I love sugaring season. I always hope to make it into a shanty or two each year, as a few of my friends have sugar bushes. The atmosphere is distinctive—the steam, the roaring fire, the tension of the moment the syrup is done, the laughter and stories, the food that goes along with sugaring. And this process of sugaring is so limited—many people in the US have never had maple syrup, much less been a part of how it's made. It's a part of our local culture and history that I no longer take for granted.

And so, I encourage you to spend time in a sugar shanty this year, if you have a chance, and if you're inclined, study it a bit. We have a handful of books at the library about sugaring, and can get more through North Country Library System. We're always glad to help you look for resources to study something you're interested in. We can't always find what we're looking for, but we certainly try!

Hope to see you soon,
Meghan Harney
